The Gulbranson Herd

Sultan Clarion 1943109 winner of second prize at the 1939 International Stock Show and afterwards herd bull in the Gulbranson herd. Sire, Sultan Prince 1852315 by the International grand champion, Sultan Browndale 1772330. Dam, Clara 16th 1725998 by Browndale Monarch a great, roan son of the famous Browndale Count. Sultan Clarion was an extremely potent and impressive sire and many of the best cattle in this herd were his offspring. In this catalog, the bulls, Lots 3 & 4 are his sons. The females, Lots 9 - 16 - 26 - 36 - 40 - 43 and 50 are his daughters and Lots 24 and 27 are his granddaughters. Study them and you will learn what a truly great sire was Sultan Clarion.

Gulbranson Bros. have been breeding Shorthorns on their farms, near Lanesboro, Minnesota, since 1921. The death of the oldest member of the firm and the desire to divide the estate is the reason for this dispersal sale.

They were fortunate in getting started with a few cows of excellent breeding and of unusually good type and character. The bulls that have been used were selected with great care and with the best of judgment as to type, Character, pedigree and the show records of their immediate ancestors. Every one was eligible to a place at the head of one of the best herds in the Country. The net result of their use has been to make this to be one of America's best herds.

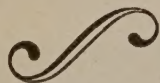

There is not space enough here for a discussion of all of the families in this herd. All of them are worthy of special mention but just one will be singled out to show how the herd has been developed. It is the Lady Ann family.

Twenty-one females and two bulls that will be sold are direct descendants of Lady Ann 14th, purchased from the famous Glenburn herd of Col. F. H. Deacon, Unionville, Ontario, in 1931. She was bought at the American Shorthorn Congress where she won first prize. Her sire was the International grand champion Edellyn Favorite and her dam was imported Lady Ann 7th bred by Henderson of Lawton in Scotland and she was sired by Collynie Bachelor by Knight of Collynie.

The descendants of this great foundation cow, Lady Ann 14th, are uniformly Short legged, deep bodied, compact and well balanced, with great character, thick flesh and ideal quality. You should have one or more of the members of this family to sweeten your herd.

Every Shorthorn breeder who is interested in making improvement should attend this sale on May 31. — Will Johnson of The Shorthorn World.

Milloray Grenadier 2093496 is the best bull in the state of Minnesota. His calves are of ideal type and inherit rich color and exemplary character. He has a great head, a great wealth of flesh laid on smoothly, hind quarters that cannot be improved and a deep, low-set body on the shortest of legs, with strong bone. No better tried sire will be sold this year and he has just turned three years of age. When you see him and his calves, you will agree with this statement. His sire has made a great reputation as a sire of sale toppers in the noted Milloray herd. His dam's sire was one of the greatest breeding sons of Browndale Count and his dam's dam is still one of the most valued cows in the famous Marellbar herd. This bull can be put in the front rank as a breeder.

Lady Ann Princess is another of the valuable 3-in-1 lots. She is an attractive roan sired by an excellent Sni-A-Bar bred son of Imp. Bridgebank Rolox and her dam was a truly great roan cow that was sold by us in the 1943 State Sale, weighing 1690 pounds at that time. Lady Ann Princess sells with a red bull calf sired by our impressive Milloray Grenadier, dropped Nov. 14, 1943. She was rebred Nov. 2 to Sunset Golden Ring.

Lady Ann Lovely is as good a cow as ever we have produced. Her dam is the famous Lady Ann 14th with which we started this superb family in our herd. It will be noted that she was sired by the International grand champion Edellyn Favorite and was out of the imported Lawton bred cow. She sells with the attractive white heifer calf shown with her in the picture. The calf was by Sunset Golden Ring and was dropped Dec. 18, 1943. Lady Ann Lovely was bred on Feb. 16 to Milloray Grenadier and regardless of the price paid, this lot will prove to be a great bargain.

She is due to calve before the sale to the service of the incomparable Milloray Grenadier, Lot No. 1 in this catalog.

Lady Ann Golden and her beautiful red heifer calf by Sunset Golden Ring and re-bred March 24 to Sunset Golden Ring make one of the most valuable lots that will be sold in any sale. There is plenty of grand championship blood shown in this attractive pedigree. A full sister of Lady Ann Golden topped the Minnesota State Shorthorn sale in 1941 and we consider this lot to be much more valuable than that one was.

Her sire it will be noted was by the celebrated red imported bull Bridgebank Rolox and out of one of the Tomson Bros. Susans by the great Scottish Gloster. Her dam's sire, Rookwood Matadore, was another of the very good bulls that headed this herd and the third bull Silver Cup 3d was by Leslie Smith's famous imported bull Royal Cup. This excellent cow will drop a calf before the sale to the service of our great Milloray Grenadier.

Mina Maid is an extremely typy, roan cow with a very choice pedigree. She was bred Nov. 22, 1943 to Sunset Golden Ring, Lot No. 2 in this catalog.

Lady Ann Proud Queen is one of the extremely typy, smooth, thick fleshed, young cows of the herd. She is very deep bodied and short legged and has a grand head although her horns are a trifle coarse. Her sire, Sultan Clarion produced many good ones in this herd. Her dam, Lady Ann 14th, was the foundation cow of this family in our herd. As you will note, she was sired by the International grand champion Edellyn Favorite and out of a grand imported cow, Lady Ann 7th and she was the first prize winner at one of the good Congress sales in Chicago.

Lady Ann Proud Queen will sell with a red bull calf at foot dropped April 4 and sired by our famous Millo-ray Grenadier, Lot 1 in this catalog.
